This includes, but is in no way limited to, the Bar Association, the Roman Catholic Church, the British Territorial United States, the Municipal United States Government, and/or any franchise, incorporation, agency or Agent thereof;
2. We are neither U.S. Citizens nor Municipal citizens of the United States; We do not adopt or hold citizenship obligations or franchise agreements with respect to the District of Columbia, the District Government, or the Municipal United States or it's Government.
3. We are not dependents of any District or Agency Personnel, United States Persons or Municipal PERSONS presumed to exist in the realm of Legal Fiction as foreign corporations operating under some form or permutation or variation of our Given Names or some foreign sign language known variously as Dog Latin or American Sign language appearing to represent our names;
4. We are not corporations nor are we representing any corporation;
5. We are not public trusts nor are we representing any public trust;
6. We hold the only survivorship interest in the Estates attached to our Good Names and we do not authorize the construction of any District or Municipal Corporation operating under signs such as JOHN MARK DOE in any form or under any section of Municipal Code; nor did we authorize the registration of any Territorial Person that may be using our Good Names under presumption of a Public Usufruct;
7. We do not use the name JOHN MARK DOE or John Mark Doe or any ordering or permutation thereof in commerce or as a Legal Fiction under Admiralty Law;
8. We do not need and have never needed any conferred citizenship, and we are not stateless and have never been stateless;
9. 10. We are not Felons against my Public Law;
11. We are not waiving our birthright estates/Estates;
12. We are not the subject of any foreign infant decedent Estates;
13. We are not the cargo aboard any foreign Vessel;
14. We are not the subject of, and not subject to, the 14th Amendment known as a citizen of the United States under any authority thought to still exist under the so-called Corporate Constitution of the United States of America, Incorporated, first published in 1868, which was never ratified by our States of the Union;
15. We are not Enemies of the British Territorial United States nor of the United States of America, Incorporated;
16. We are not "Sovereign Citizens", and we object to any inference or insinuation that we are ignorant or that we avow an oxymoron as a political status;
17. We are not "Humans", not indentured servants, nor "Slaves" nor any Volunteer, nor any kind of TortFeasor against the Federal Constitutions and we do not voluntarily act as a Tort Feasor against Article I, Section 10 thereof;
18. We object to the use of Federal Reserve Notes; we do not voluntarily use Federal Reserve Notes; we have no Federal Income according to the U.S. Supreme Court as we are not "Federally connected" TAXPAYERS operating as voluntary franchisees of any foreign Municipal Corporation and have no corporate profit separated from capital that could stand as "Federal Income"; no evidence of debt presented as an I.O.U. or other form of Promissory Note, such as a FEDERAL RESERVE NOTE can be considered actual payment or profit in hand; additionally, we are not Warrant Officers in the British Merchant Marine known as a "Taxpayers" (to the King) and we are not lost at sea; we are not Drivers or other Persons employed in any commercial avocation related to the Admiralty nor are we voluntarily operating in any form of Maritime Commerce;
19. We do not accept the American Civil War or any "War" since then as anything but Mercenary Conflicts that are not owed the dignity of the Law of War or the Law of Peace as there was no official and required Declaration of War by the Several States in Congress Assembled related to their onset, and we do not recognize the existence of, or need for, any British Territorial Military Protectorate related to the people on the Land and soil of our own country when our own State Assemblies are in Session;

The Utah Assembly member,
The Federation of States
d.b.a. The United States of America, unincorporated (1776)

20. We do not accept any claim that we are rendered Enemies while at the same time our Estates are being charged for services as an Employer and when our States have never participated in these conflicts;
21. We do not accept any foreign public trust interest in any MARK JOHN DOE Estates based on undisclosed, unconscionable birth registration contracts nor any private trust interest created by any foreign baptism nor other undisclosed contracts with any incorporated Church nor any derivative contracts based on these presumptions of contract, pledge, or allegiance.
22. We Notice that all the so-called Western Territorial States have been enrolled as actual States of the Union since October 1st, 2020, and this was made retroactive to the date these States entered Territorial Statehood, so there is no longer any presumption against any of the people born in these States of the Union.

In addition, regarding all money claims:

1. "Money" does not include treasury notes". Foquet v. Headley, 3 Conn. 534, 536;
2."In legal acceptance, "money" means current metallic coins; therefore, an indictment for embezzling "money" is not sustainable by proof of embezzling greenbacks or national currency notes." Block v. State, 41 Tex. 620, 622.
3."The term "money" does not include bank notes. They pass as cash, and constitute a part of the circulating medium, and for many purposes are to be considered as money; but, in the strict sense of the term, they are not included therein." Dowdle v. Corpening, 32 N.C. 58,60."
4. "Money," as used in the Crimes Act, section 13, providing that any person stealing any money, the property of another, shall be guilty of larceny, cannot be construed to include bank bills, for strictly bank bills are not money, though for many purposes they are treated as such." Johnson v. State, 11 Ohio St. 324,325.
5. "The term "money," in the statute defining robbery as taking from the person of another any money or personal property of any value whatsoever, with force and violence, and with intent to steal or rob, does not include bank notes." Turner v. State, 1 Ohio St. 422,426.
6."Federal Reserve Notes are not dollars." U.S. Treasury, General Counsel, Munk.
7. "Both notes and checks are acknowledgments of indebtedness and promise of payment." Hegeman v. Moon, 131 N.Y. 462, 30 N.E. 487. Smith v. Treuhart et al, 223 N.Y.S.

481;

8. Therefore, all that the John Mark Doe/JOHN MARK DOE Estates ever received as “payment” for any goods or services from Federal Corporations or their Employees, are promises to pay, otherwise known as I.O.U’s or Promissory Notes, in this case, FEDERAL RESERVE NOTES;
9. It also follows that as the Inheritors of the assets and credit owed to the fictional JOHN MARK DOE, we do not allow any private bill collectors to sue for the involuntary extension of more credit to Municipal Corporation franchises appearing to be named after these foreign Estates;
10. It stands as public knowledge that the so-called Federal National Debt owed is now in excess of \$35 Trillion Dollars;
11. Add to this that Federal U.S. Citizens and citizens of the United States have no ability to redeem fiat notes for United States Silver Dollars and are prohibited from doing so by Title 31 USC Section 408 which prohibits the redemption of any currency (that is, “Money of Account”) into gold, and Title 31 USC Section 405(a)-3 which prohibits the redemption of any United States currency dollar- for- dollar for gold /or/ silver, so that such foreign Persons/PERSONS are precluded from receiving actual payment and equally precluded from alleging any actual debt on the basis of commerce or trade using FEDERAL RESERVE NOTES;
12. Also, Notice that the Tax Lien Act of 1966 placed all such actions under the Uniform Commercial Code, and for a check to be a negotiable instrument, it must contain an unconditional promise to pay a sum certain in money and be payable on demand or at a definite time (UCC 3- 103 (b) (c)), a condition which no check issued in the current system can meet, which means that U.S. Citizens and Municipal citizens of the United States, like the Territorial Internal Revenue Service and Municipal IRS or any other phony Creditor or set of Creditors like the First National Bank of Omaha or the SOUTH BRANCH FEDERAL CREDIT UNION can only act as our Agents if we grant them permission to do so, and this also means that no such Legal Fiction/FICTION entities, such as the Internal Revenue Service/IRS, or First National Bank of Texas or HSBC, et. alia can act as Moving Parties alleging the existence of any actual debt based on Federal Reserve Notes, which are not “money” and checks which are not negotiable instruments;
13. Take Notice that fictional money results in fictional debts and fictional profits and fictional income, too; as FEDERAL RESERVE NOTES are debt notes by definition, the use of FEDERAL RESERVE NOTES or their transfer can never result in profit or income, either one; thus, any

The Utah Assembly member,
The Federation of States

allegation that we or our Estates are in receipt of “Federal Income”, is fraudulent, null and void, and provides no basis for any court decision;

14. The allegation of any debt owed by the people or our Estates that are based on Federal Reserve Notes, their transfer via non-negotiable checks, or additional accrual of debt by their collection, results in a fraudulent and constructive debt claim that the Moving Parties are incompetent to demand or receive; We and our Estates are not the Debtors; we are the ultimate Creditors, and must be held harmless by the Corporations and Principals acting as Usufructs;
15. Both the assets and the credit based upon the assets of all JOHN MARK DOE Estates are owed to the people; We cannot possibly owe a debt to ourselves for the unauthorized abuse of our own credit or the involuntary extension of our credit in the form of a FEDERAL RESERVE NOTE; and we have not approved the Moving Parties nor their attorneys to collect any such debt on our behalf;
16. The Gold Bullion Act of 1985 makes it clear that Americans, such as the men and women of The Utah Assembly, are not obligors or grantors with respect to the Federal Reserve Banks and their Notes--- Public Law 99-185, December 17, 1985, 99 Statutes 1177.
17. In Witness of all the foregoing, We are acting to prevent crime and to fully inform all Incorporated entities and employees, the Courts, Law Enforcement Officers and all Agents/AGENTS, so that justice may be served and fact be honored and we affirm the foregoing account to be true and complete and not misleading, honorable and peacefully intended; and so, we place our seal and autograph upon this paper for purpose of Witness only on this _____ day of _____ in the year of 2025.
